

## OWNERSHIP DISCLOSURE

### Disclosure of Physicians' Ownership Interests

Our providers are committed to helping facilitate exceptional care at various healthcare facilities and through other health care providers. By maintaining ownership in other facilities and health care providers, our providers are able to have a voice in administrative and operational direction, resulting in a higher overall quality of care. Pursuant to the requirements of section §105.002 of the Texas Occupations Code and of Federal Law, this is to inform you that one or more of our physicians may have ownership in the facilities listed below and may, indirectly, receive compensation for services you receive. You, as the patient, have the option of using an alternative if you so desire. Upon request, we will provide a list of physician owners/ immediate family members. You may receive separate billing from each entity.

Texas Institute for Surgery at Presbyterian Hospital of Dallas  
Texas Health Presbyterian Flower Mound Hospital

A DIVISION OF OrthoLoneStar

### DECLARACIÓN DE PROPIEDAD

#### DIVULGACIÓN DE LOS INTERESES PROPIETARIOS DE LOS MÉDICOS

Nuestros proveedores están comprometidos a ayudar a facilitar un cuidado excepcional en varios centros de salud y a través de otros proveedores de atención médica. Al mantener responsabilidad en otras instalaciones y proveedores de atención médica, nuestros proveedores pueden tener una voz y ser considerados en la dirección administrativa y operativa, lo que resulta en un cuidado de mayor calidad. De acuerdo con los requisitos de la sección §105.002 del Código de Ocupaciones de Texas y de la Ley Federal, esto es para informarle que uno o más de nuestros médicos podrían tener responsabilidades en las instalaciones enumeradas a continuación y podrían, indirectamente, recibir compensación por los servicios que usted recibe. Usted, como paciente, tiene la opción de usar una alternativa si así lo desea. Proporcionaremos una lista de propietarios de médicos/familiares inmediatos por solicitud previa.
